Alumni Activities Policy

Alumni Activities Policy

The alumni of Karve Institute of Social Service consist of individuals who have successfully completed one or more courses of study (minimum 1 year) during their lifetime. The alumni association aims to maintain a strong connection between the alumni and the alma mater, providing mutual support. The association operates under its own constitution, which governs its activities, functioning, and resolutions.

1. Objective:

The primary objective of the alumni association is to foster camaraderie and maintain friendly relations that align with the college's vision, mission, and core values.

2. Alumni Representation:

Each alumnus represents the alma mater in their sphere of influence, promoting positive relationships that benefit both the alumni and the college.

3. Recognition of Alumni Accomplishments:

The college recognizes the accomplishments of its alumni in various fields. Alumni who achieve prominence serve as role models for current students, and alumni events will be regularly organized where these prominent alumni are acknowledged.

4. Alumni Database:

The college maintains alumni database, this database is confidential and not shared with third parties.

5. Ways Alumni Can Contribute:

Alumni can contribute in several ways, including:

- Expert guidance in their field and student-alumni interaction.
- Supporting in field work programme of the institute.

- Assistance with placements and career guidance, interfacing with industries and organizations.
- Serving as honorary members in various academic and non-academic advisory bodies.
- Making financial contributions for scholarships for needy students.
- Participating in fundraising campaigns during calamities or disasters for relief purposes.

6. Scholarships and Support:

Alumni may contribute to scholarships for deserving students, in coordination with college recommendations, either at the association or individual level.

7. Transparency in Fund Utilization:

The alumni association is responsible for maintaining a high level of transparency in utilizing alumni donations and association funds.
