## **Students Activities Policy**

Karve Institute of Social Service is committed to nurturing its students into responsible citizens with integrity, human values, and intellect during their academic journey. The policy ensures that students are provided with a conducive environment for holistic development and active participation in nation-building.

### **1. Rights and Duties of Students:**

The rights and duties of students, along with their support in achieving institutional goals and objectives, will be ensured.

### **2. Adherence to Rules and Regulations:**

The college strictly follows the rules, regulations, and directives of the Central/State Government, UGC, affiliated university, and other higher educational bodies in all matters related to higher education.

### **3. Best Practices in Education:**

The college encourages adopting best practices in the higher education sector, aligning with its values and vision, and complying with changes in legislation.

### **4. Clear Information:**

Comprehensive, accurate information on programs and courses, along with their entry requirements, will be provided to all interested individuals without hiding or filtering details.

### **5. Promotion of Students:**

Academically capable, motivated, and eligible students will be promoted in all spheres of education, irrespective of their caste, creed, religion, or region.

### **6. Supervision and Mentorship:**

Matters related to admission, mentoring, academic formation, and recruitment will be supervised by HODs, mentors, IQAC, and the Principal. Students can approach the Principal for issues they deem necessary to address.

## **7. Support for Differently-Abled Students:**

Special services will be provided to differently-abled students, including those with disabilities. Any gaps in these services can be reported to college authorities for immediate attention and resolution.

## **8. Code of Conduct:**

Students are expected to observe a strict code of conduct on campus, adhering to all college rules and regulations. Any violations will be dealt with according to institutional policies.
